Navy Hastens Final Victory!

Official U. S. Navy photo

RIG GUNS OF U.S.S. MISSOURI HURLED STEEL AND FLAME

On pages 3, 11, 12 and 13 of this week's Record local merchants express their appreciation of the great part done by our Navy to hasten final victory, in celebration of which the nation hails Navy Day on October 27.

Admiral Nimitz Makes Statement Anent Navy Day

This is a Navy Day of which we have long dreamed. One part of the world's greatest fleet rides in triumph in Tokyo Bay. A mighty task force is on the high seas engaged in the welcome mission of bringing back our fighting men. Still other units of the fleet are in home waters.

It is only fitting that these veterans of our most glorious victories should be celebrating Navy Day with their countrymen. For there is scarcely a town or a family within these United States who does not own a share of that fleet, who did not help build its strength on the production line, pay for its growth with war bonds, or send forth their sons to man its ships and planes.

We of the Navy are conscious of our debt to our fellow Americans here at home and grateful for your backing. Staggering as were the Navy's needs in the prosecution of the war, we were denied nothing. The triumphant voyage from Pearl Harbor to Tokyo over an ocean battlefield dotted with island obstacles taxed all our resources, but we never doubted our ability to reach our objectives thanks to your magnificent support.

There is no need today to enumerate the Navy's repeated victories in this war. They are too deeply engraved upon your hearts and in your memories of the more than 54,000 Navy, Marine, and Coast Guard fighting men who gave their lives in battle. Control of the seas and skies above them proved without question the deciding factor in bringing Japan to her knees. I am confident that a powerful Navy, supported in the same loyal fashion by the American people, will prove equally essential in maintaining the peace and keeping our country safe and strong.

Frank's "76" Team Now Playing In Rec. Dept. League

"Babe" Aiello has recently made the announcement that Frank Rehe's "76" baseball team is now a member of the San Francisco Recreation Department league.

Frank Rehe is the proprietor of Frank's Union Super Service Stations, 6200 Mission street and Almany boulevard at Sicksles.

R. J. Cooney Is New Personnel Officer For San Mateo County

R. J. Cooney, formerly with the Lockheed Aircraft Corporation at Burbank is the new personnel officer for San Mateo county. He succeeds Owen M. Broyles, San Jose State College faculty member, who held the position on a temporary basis for a year. Broyles is assisting Cooney two days each week until November.

Cooney was labor relations assistant at the Burbank aircraft plant, which employed 30,000 when Cooney left. Cooney's specialty was company-union relations.

Between 1936 and 1941, when he joined Lockheed, Cooney was a placement officer with the United States Employment Service at Lincoln, Nebraska. He studied industrial relations and personnel administration at Cal-Tech and UCLA.

Site Committee Sets Nov. 14 Date For Next Meeting

In a short but pithy meeting the War Memorial Building Site committee convened at the city hall Wednesday night, October 24 to further consider plans for a site for the proposed memorial building. Discussion as to available various sites was entered into by all present.

So far no answer from the state has been received as to availability of state funds for the project, and it may be quite some time before an answer is received. A letter was drafted to the city council anent the site question asking the council for consideration of the matter.

The next date for the site committee meeting was set for Wednesday, November 14, at the city hall.

Returns From Overseas Duty

William Frederick, CM 2/c, son of Mrs. Anna Hoyer, 138 Edgemark street, Daly City, has recently returned from overseas duty.

He was stationed on the USS Catskill. Most men of this task force were topside watching landing craft put occupation troops ashore September 25. The troops were landed at this harbor on the southeastern coast of Honshu for the occupation of Japan's inland cities of Kobe and Osaka.

Chairman Reports War Chest Drive Far Behind Quota

According to Mrs. Muriele Pabst, 132 Oliver street, chairman of the local war chest committee, just a little over half of the city quota of \$4000 has been raised to date. The amount received is \$2020.68.

There is still one week to go. "Each community in the county must accept the challenge of achieving its quota in this all important fund raising campaign," said Lorne G. McAloney, executive chest secretary.

Judge Aylett R. Cotton, chairman of the drive, said, "While our organization is known as the War Chest as well as the Community Chest there's no significance in people saying, 'The war is over, why the drive for funds.'"

He explained that "while the war is truly over, the responsibilities placed on mankind by the war are a war in themselves, for we have hunger and disease stalking through war ravished countries."

"We have the young and the old suffering for want of shelter and warm clothing."

"We have hundreds of thousands of servicemen hospitalized, deserving of comfort and entertainment."

"Here in our own communities, continued Judge Cotton, we have fine social agencies depending on us to furnish them with funds to carry on their work."

"Let us, each and everyone, live up to this responsibility of citizenship and open our hearts and our purses so that the chest can continue its laudable work through the various agencies and organizations it helps financially."

P. G. & E. Helps To Welcome Returning Soldiers and Sailors

Pacific Gas and Electric company had added its expression of the city's gratitude to the painted, welcoming messages which greet home coming soldiers and sailors as their ships make their way into port.

The company has painted the word "THANKS" in letters 18 feet high against a huge "V" background on the bay side of its North Beach gas holder at Bay and Laguna streets. The sign is part of the program sponsored by Major General Homer M. Groinger, commanding general of the San Francisco Port of Embarkation, to welcome service men back to their homeland.

COUNCIL LAYS OVER PLUMBING ORDINANCE UNTIL NEXT MEETING

Junipero Serra Hiway Extension Meets Resistance

In an effort to extend the Junipero Serra highway to San Jose the San Mateo County planning commission met with the supervisors of Santa Clara county and San Mateo county Thursday evening, October 18, but the fate of the proposed formation of the joint highway will remain in the discussion stage for one month thus affording time for the San Francisco supervisors to be present and perhaps form a tri-city joint highway commission, according to a member of the San Mateo County Planning commission.

1. Five Santa Clara county representatives, including three supervisors, indicated they were more interested in extending Bayshore Highway past San Jose than adding a third through-Peninsula highway;

2. Four of San Mateo County's five supervisors favored formation of a highway district to continue Junipero Serra from Sneath lane, San Bruno, to Santa Clara county;

3. County Executive Frederick Peterson voiced opposition to county action, stating "leave it to the State Highway Commission."

The meeting, held at the Benjamin Franklin hotel in San Mateo, was devoted to general discussions of the proposal, with topics including suggested boundaries for the suggested district and need for a third main highway.

Peterson said the district would be costly and would bring "double taxation."

"Even if the state builds, I'm opposed to the present state route," he said.

(Proposed state route follows Alameda de las Pulgas, cutting through residential areas in communities through which it would pass).

"I cannot understand why the County Planning commission is pushing the matter when planning commissioners of eight cities through which the highway would go are against it. . . . We don't want any more high speed routes through the populated district," Peterson stated.

The county executive said he favors the proposed Klassen-James route which by-passes the cities.

JUDGE McNUTT TO HEAD SALE OF XMAS SEALS

Continuing in the work that has been so successfully carried on under his direction during the past four years, Superior Judge Maxwell McNutt will have charge of the coming sale of Christmas seals for the San Mateo County Tuberculosis and Health association.

The sale of these seals is the association's only source of revenue. So highly artistic are the little stamps in design and color, some celebrated artist being chosen each year to make them attractive, the people seem to prefer them to those that are commercially issued by private publishers and they are used to adorn the great majority of letters sent out in this county during the holiday season.

Trifling as the cost is, the money received from the seal sales meets the association expense in the never-ending fight against tuberculosis in this county, a fight that is being carried on with success highly gratifying to the county authorities and medical men and to all who are aware of what is being accomplished.

The council meeting Monday, October 22 was rather short after being called to order at 8:25 p. m. All members of the council with exception of Councilman Lynch were present.

Upon roll call Councilman Howard McHugh addressed the council stating that since Councilman Hugh H. Smith jr., whose place he had assumed during the time Smith served in the armed forces, had returned to civilian life and was willing and able to again assume his duties as a councilman he would step down.

Leroy Johnston made a speech and presented McHugh with a gift "from the boys and your friends in Daly City." He then also welcomed Smith back and presented him with a gift.

Mayor Gaggero requested McHugh to sit on his right as an honorary councilman for the evening.

A communication from Julius Castelan and Frank Kamp on behalf of the Democratic Central Committee of San Mateo county, requesting permission to use the council chambers Friday evening, November 2, for the purpose of holding an organization meeting of the Democrats of Daly City was rejected.

Mayor Gaggero stated that the hall was not for rent to any organization outside of Daly City, whereupon Mr. Castelan remarked they had had the use of civic halls in other cities and the letter should be given due consideration.

A very lengthy communication from Stone and Youngberger, financial consultants, relative to project program improvements to be considered in Daly City was ordered placed on file for future reference.

City Engineer Klassen reported that it is permissible to install a control switch in the police office to stop signals at the intersection of Mission street and Hillcrest drive upon receipt of fire alarms.

Councilman Craig reported the plumbing ordinance had been prepared but as the council didn't have time to thoroughly go into it it would be laid over until the next meeting.

Joseph Sarto was complimented by Councilman Dennis and Mayor Gaggero for his efforts in working for the erection of an emergency hospital in the northern section of the county.

Mr. Sarto spoke briefly stating that although the grand jury had unanimously approved adequate public health facilities and emergency hospital facilities at the northern end of the county it is still a matter of dollars and cents and it is up to all organizations to make every effort to obtain a hospital here.

A resolution with reference to the purchase of the 5000-acre Butano Forest by the California Park commission was read. The resolution was endorsed unanimously by the council and the city clerk was instructed to forward a copy to the State Park commission.

A. J. Bodien stated that the San Mateo County Planning commission met with the Santa Clara County and San Mateo County supervisors Thursday, October 18. They endorsed the purchase unanimously and it was recommended that the County Memorial park and Coastside Beaches—of equal value with present improvements—be donated as the county's matching fund.

Claims were read and ordered paid.

The meeting adjourned shortly after 9 p. m.

Hallowe'en Party Stated For Legion And Aux. October 27

Daly City Post No. 10 and Auxiliary will hold their annual Hallowe'en party and pot-luck dinner at the Legion hall, 474 San Diego avenue, Saturday, October 27.

Navy Day

America's pulverizing Pacific Fleet is home from the wars. With Admiral "Bull" Halsey's mighty flagship "South Dakota" leading the way the greatest fighting flotilla ever to sail the seas has returned in triumph bringing home its gallant men and setting the stage for the greatest Navy Day celebration of all time.

It was just 37 years ago last May that an impressive array of battleships of another generation came back to California from the Pacific just as did the sea-going wagons of today. But the great "White Fleet" of 1908 had not been fighting. President Theodore Roosevelt had sent it around the world to let the nations see the naval strength America had built up. That Navy Day comes on October 27, Theodore Roosevelt's birthday, is no mere coincidence.

In World War II the story of how our Navy virtually lifted itself out of the mud at the bottom of Pearl Harbor, how its few surviving ships held off enemy thrusts toward Australia while bomb-riddled vessels were being refitted and new ones built, how it eventually rose like a ghost out of the Pacific to smash the Jap fleet and drive the Nips back to their homeland—these achievements are indelibly inscribed on the pages of history.

In the light of these deeds we can feel prouder than ever before on this Navy Day of 1945 of our great ships and the great men who sail them. Now that our Navy is the undisputed queen of the seas we must keep her in that place—not merely to satisfy our national ego, but to help keep the peace or to be in readiness for battle should we ever again be forced to fight.

It may be that the atomic bomb will change future sea warfare if there should be any. But until that is clearly proved we should keep in good repair, and seek to improve, the fighting ships that now carry the flag of these United States. Never again can we afford to be unprepared.

Money From 'Uncle'

The Bureau of Internal Revenue which usually spends a good deal of time and energy in tracking down persons who "forget" that they owe Uncle Sam some money on their incomes is now engaged in locating thousands of Californians who were too generous and overpaid the Old Gentleman. The money involved runs into the millions of dollars. Instead of the line forming to the right for these refunds the individuals who are entitled to the money have moved from their former addresses and the Internal Revenue Bureau has taken up the hunt. If they can't be found within a year the money will go back into the United States Treasury. If you have any reason to believe that you overpaid last year and if you have since changed your address it might be well to check with the tax collector. There could be a "dividend" awaiting you.

Laval "Silenced"

Pierre Laval, the butcher's son, who squirmed his way through the muck of prewar French politics to become Premier on three occasions, died much as he had lived—squirming. He paid with his life not for his part in priming France for Hitler's axe before 1939, but for trying to complete the delivery of his country into the hands of the Nazi Fuehrer. Charges are now being made that Laval was executed hastily in order to prevent him from revealing facts which would have been damaging to many prewar political figures who claim that they worked only for the good of the nation during the 30's. Maybe Laval could have told things but he did not lack times to tell them. There is much that burdens the political conscience of France, but the execution of Pierre Laval can hardly be part of it.

He's Out! He's In!

Colonel Juan Peron, the strong man of Argentina, has been emulating Mr. Finnegan of the in-again, out-again, in-again Finnegan. As of this moment he is "in." A few days ago he was "out." And a few days before that he was "in." His return to power after being forced to resign by certain elements within the army and navy threw the entire situation into greater confusion than ever. Support for the Colonel's return came from labor unions but there were indications that much of this was being forced by strong arm methods. Peron will be a candidate for president in the coming election.

Butter Price Increase

The cost of butter will increase five to six cents a pound in retail stores starting November 8. This is due to the fact that the government subsidy of five cents a pound paid to processors will be discontinued.

News From The Grammar Schools

Woodrow Wilson

Map activities in Room 4 have been centered about the physical and political features of the North American continent.

Room 5 enjoyed an interesting film entitled "The City of San Francisco."

The boys and girls of Room 8 are studying colonial life in the Colonies.

In Room 9 the boys and girls of the 6th grade saw a sound and motion picture entitled "A Boat Trip." This film pictured the ships which have been studied and reported about in class.

The boys and girls of Room 12 are reading stories in their different readers of discoveries and inventions that show how machines affect our lives. They also enjoyed a movie entitled "Singing Wheels" which told of the part trucks play in our daily lives.

The children of Room 15 who have as a reader "Clothing and Shelter" gave reports on clothing. The topics given were about customs, style, fad clothes of early man, clothes of ancient peoples, clothes of the early Americans and the uses of clothing.

Crocker

Room 3 of the Crocker school observed Columbus Day with a series of talks, essays, and drawings on the biography of Columbus.

his week the students of Room 3 made interesting covers for their unit scrap book on transportation. Transportation motifs were put on the covers by using the ink-spatter process.

Last Wednesday, October 10, Room 6 saw the film "Air" in connection with their unit on "Aviation."

Last week the students of Room 2 were shown lantern slides depicting the people at work in the various industries carried on in the New England States.

Jefferson

An artistic program was enjoyed by the first grades this week. The children made masks, pumpkins, cats and owls for the coming Halloween occasion. A story play was acted out and enjoyed by all.

The children of the 5th grade have enriched their reading program by enacting a play of the early pioneer days and the settling of Boonsborough by Daniel Boone and his trusty followers. Daniel Boone is played by James Bartels, Tompkins by Bobby Galuc, and Watson by Martin Coronado. The Indians included Joanne Van Vliet as Chief Black Feet and Marjorie Duncan as Mingo. Minor parts were played by other members of the class.

With the recent arrival of the Fleet, the 6th grade's main inter-

est is centered in San Francisco. Halsey's visit promoted the study of fascinating San Francisco with its waterfronts, Chinatown and other panoramic views. Many pictures and books aided the reference work of the class. Robert Giorni brought large views of old San Francisco prior to 1906.

The 7th Graders from Jefferson have made an interesting border for their bulletin board. Their chief motif is the rudder and wing design of the different nations of the world. In addition, there are several insignia of well-known airlines of the Pacific coast.

Within the space of this attractive border, students have placed air mail letters that were sent to them from servicemen all over the world.

The colorful 8th grade social studies unit, "Living in the San Francisco Bay Area" had an added interest this week in the showing of the motion picture, "San Francisco." The picture included a panorama of the bay; S. F.-Oakland bridge, Treasure Island, Alcatraz prison and Golden Gate bridge. Scenes along the Embarcadero included docking points for ocean liners, fisherman's wharf, Italian fishing boats, mending of nets, and sidewalk shopping for crabs. Market street, Coit memorial, cable cars, Chinatown, civic center, Golden Gate park, beach and Cliff House rounded out a most interesting picture.

Eighth graders listened intently to General MacArthur's recent broadcast from Tokyo, in which he assured the American people that the conquered Japanese have lost their arrogant manner and are well aware that they must follow the orders of their American conquerors.

Rice Production

Strange as it may seem, one of the four leading states in rice production is California, with 3,000,568,000 bags of 100 pounds each.

Robert Capps
Now Home From
Overseas Service

Robert Capps received official discharge from the Army Air Corps October 21 but due to accrued leave arrived at his home, 38 Woodrow street, October 15.

He has made a very distinguished record overseas, having been several times decorated for outstanding service.

He returned to the states in August 1944 and went to the rest center at Long Beach for two weeks. He was accompanied by his wife and all expenses were paid for both.

Capps then went to Westover Field, Springfield, Mass. for three months, later reporting to Romulus Air base near Detroit where he was stationed until July 1945. Following this he was stationed at Lubock, Texas at the Army Air Instrument school, then he reported back to Romulus.

On October 12 he returned to California to McClellan Field near Sacramento. He is now entering the University of California as a sophomore and will take a course in engineering.

OFF THE BLOTTER

Mrs. Paul Selmi phoned the police department Saturday, October 20 at 8:30 p. m. stating that her uncle Joseph Foran, 61 Vista Grande avenue, had injured his head and they were unable to stop the bleeding.

Upon investigation by Chief Wm. P. Bolger and Officer Roland Petrocchi it was decided to summon Dean Wood and James Smith to have Foran taken to Alemany hospital. Following first aid treatment he was taken to Community hospital.

On October 20, George Cripps, 36 Woodrow street parked his car in front of Edward's Drug store. While the vehicle was unattended it backed across the street and knocked down the highway sign at San Jose avenue and Mission street in front of the Bank of America building.

The car was taken to the B. and G. Garage and the owner was given a tag for leaving a vehicle unattended without first property set-

ting the brakes.

While Officer Henry Sundermann was patrolling Sunday morning, October 21 he found the driveway doors, facing Mission street, of the A. L. Stockton Lumber company open. It looked as if they had been pried open by someone. The gangway doors on Goethe street were also open.

Officer Sundermann locked all the doors and notified Mrs. Florence Stockton, 49 Crocker avenue. Later that same morning they checked the premises but were unable to find anything disturbed.

The B. and G. Garage, 3348 San Jose avenue notified the department that an auto belonging to Mr. Galli had been stolen from in front of the garage.

Officer Henry Sundermann responded to a phone call from Ruby Chavarin, 50 Station avenue and found she had injured her middle finger of her left hand and, as it was not serious enough for hospital treatment, he advised her to see her own family doctor.

A report was received by Chief Wm. P. Bolger to the effect that James Parker, 6275 Mission street who was driving a Plymouth sedan had had an accident.

Sergeant Ricco Benedetti and Officer James Welsh investigated and learned that Parker had side-swiped a truck that was parked at Westlake avenue and Mission street. There was no apparent damage to the truck, but the right side of Parker's car was damaged.

In response to a call from Marie Claussen, 6143 Mission street, Officer Dean Wood found Mrs. Harriet Meinzer, 42 Wilson street had cut her left elbow on a glass door and needed treatment. She was taken to Alemany hospital and then returned home.

The services of the local ambulance were required in a serious automobile accident which occurred near Cypress Lawn Memorial park early on the morning of October 22, killing two and seriously injuring three.

Dead were CM 2/c William Gamet and PM 2/c David G. Stenson from Tanforan Navy base.

Injured were John Marchek, 4319 23rd street, San Francisco, driver of the truck which was stalled due to a blowout in a tire; S 1/c Thomas J. Barron and CM 2/c Herbert F. White.

Albert L. Douglas, 509 Hazel avenue, San Bruno, driver of the car which crashed into the 11 sailors beside the stalled truck, was held for investigation.

The Naval authorities took charge of the Navy personnel and Dean Wood and Emil Bertelli took Marchek to the Alemany hospital at the request of the California Highway Patrol and sheriff's office.

Several Are Discharged From Armed Forces

Sgt. Charles B. LaFranchi of 426 North Parkview, Daly City is a civilian again today having received his discharge at McClellan Field after four and a half years service with the Army Air Forces.

He was overseas in the European theater with the Q.M. Corp as a Supply Sergeant from September 1942 to August, 1945.

LaFranchi is brother to Mrs. Sam Marzell of this city and previous to entering the army was employed at A. Carlisle & Co., San Francisco.

Pfc. Harry J. Oakes has received his honorable discharge from McClellan Field and is now at home after 39 months service with the Army Air Forces. He is the son of Mrs. Gertrude Oakes of 263 Station avenue, this city.

Earl G. Johnson, son of Mrs. Axel Johnson, 724 Templeton street, returned recently from a seven week trip to the Philippines. He was second mate on the cargo ship "Flying Yankee." He has now left for Yokohama. Rod Daws is also sailing with him.

Dorothy Alice Fastiggi, seaman, first class, USNR, 21, of Claremont, Minnesota, recently received an honorable discharge certificate from the United States Navy at the United States Naval Personnel Separation Center (WAVES), Balboa Park, San Francisco, California. She had been in the WAVES for 16 months.

Mrs. Fastiggi attended Yoeman School in Stillwater, Oklahoma, for two months and was then transferred to the Fleet Post Office, San Francisco, California.

The former Dorothy Kampa met Private First Class Vincent Fastiggi when they both worked in the Fleet Records office. They were later married in San Francisco. He is the son of Mr. and Mrs. Fastiggi, 5 Sylvan Place, Montclair, New Jersey.

Mrs. Fastiggi graduated from Jefferson Union High school in Daly City, California, and attended Milwaukee-Downer College in Wisconsin for one year. Her father is Joseph L. Kampa, 407 Broadway street, San Francisco.

Site For New Juvenile Home Not Yet Decided

Relative to the erection of a new juvenile home at the present home site on lower Broadway, Redwood City, there seems to be considerable difference of opinion.

Supervisors refused to take action on the petition Tuesday, asking instead that the group hold their protests in abeyance pending Judge Cotton's decision on the Community home site.

Recently the county probation committee recommended the Broadway site as a location for the new building which is to be erected. The board of supervisors must then approve the site and finally Judge Cotton must review the recommendation.

News Notes Of Girl Scout Troop 5

October has been a busy month for the Girl Scouts of Troop 5. On October the first meeting was devoted to the illustrating of the folk song "Mite Darling" by shadowgraphing under the guidance of Mrs. Hazel Marsh.

On October 6 they participated in a cook-out at Camp Mattrup with Troops 1-12. A grand time was enjoyed by all with each troop bringing a part of the meal.

Troop 12 was responsible for the main course which became known as Camp Mattrup's "Special."

Troop 5 had a real autumn salad of grated carrots, apples, raisins and nuts and Troop 1 set the outdoor table with all the care and charm given to one at home.

The fresh fruit and pine-cone arrangement was very attractive.

With the leaders, Mrs. Heagney (oriole), Mrs. Banfield (canary), Mrs. Mallard (duck), Mrs. Hale (Pekin) and Mrs. Patst (spring) there were 41 to enjoy the outdoor repast.

At their meeting on October 9 the girls learned Korobushka, a Russian folk-dance which they will perform at the International Dance festival November 3 at Marchbanks' park.

A court of honor meeting was held at the home of Mrs. Pabst where plans were made for a Halloween costume party to be held October 30 at the Scout House.

NOTES FROM JEFF HI

Assembled by Hazel Hendrickson
Of the Totem Pole Staff

Second League Basketball Games; One Win One Loss

Thursday, October 18, the 120's and 110's played their second league games. The '20 team dropped their game 17-26. The starting lineup for the 20's was E. Gigli and Shannon, guards; Harju, center; Barros and Robinson, forwards. Robinson was game captain. High point men were Robinson and Shannon. Subs were J. Gigli and Garcia.

'10's' Chalk Up Two League Games

After five straight losses, the 10's have won two league games in a row. Thursday, the 18th, they over-ran Burlingame, 20-17; and a week before they topped San Mateo, 19-15. Starting lineup was: Silacci and Laumond, forwards; Micheletti, center; Attenisia and Stanghellini, guards. Game captain was Stanghellini.

High point man was Michelitti with 10 of the 20 points made. Substitute was Canepa.

Movies Shown to Gym Classes

Do you know that this year the enemy, tuberculosis, will kill one person every nine minutes? Do you realize that the Mobile Unit gives you and many other persons a free X-ray examination that would cost you \$15 on your own?

Interesting movies have recently been shown to all the gym classes, illustrating the processes of giving X-ray and vaccinations.

Clubs and Departments

Ellen Simons made 100 per cent in a dictation spelling test in English 1-b, in which deductions were made for errors in sentence capitalization and punctuation, misspelling of any words, and any errors in writing the sentences as dictated. Other scores were: B. Calvin, A. Canepa and F. Whorley made 98 per cent each; M. Horkey and M. L. Carter, 97 per cent each; J. Lovette and E. Myers 95 per cent each. Median of the class was 90 per cent.

First Play Shows

Dramatic Talent

One of the assemblies the student body remembers with pleasure is the one presented by the dramatics class this afternoon. Though few in number, members of this class showed talent in staging the first play of this year, a one-act melodrama, "Curse You Jack Dalton."

Cast of characters: Harland Kinsey played the role of the leading man. Bertha, the neglected maid, was interpreted by Francis Crossley. Richard Johnke's role was that of the villain. True to type, he and his partner in crime,

Gladys Guttman, had to be the losers; but they were good ones. Myrna Park portrayed the worldly mother, and Mildred Hix, the pampered daughter. Tom Brandt, the long lost brother of Bertha, was the comedian.

We of Jefferson enjoyed the efforts of the students and hope they rise to greater heights in their next thespian attempt, "The Tin Hero."

Mobile Unit Examination

X-ray examinations for any signs of tuberculosis have been administered since October 22. All seniors, juniors, and students who might be leaving school early have been placed first on the schedule. Twenty-eight students from Sharp Park and Rockaway Beach will come to Jeff for the X-ray test.

Forty students are examined each hour, with boys and girls segregated. If the X-ray plate shows any signs of tuberculosis, the student will be asked to consult a physician.

The San Mateo County Mobile Unit expects to return later in the spring.

After the examination, each student will be given an X-ray card, certifying that he has been examined; and will be given the number of his X-ray plate.

There are two 4 inch by 5 inch X-ray pictures taken for each student. Probably the Mobile Unit will return and show these to the students.

Hearing Tests

The auditory tests have been completed, showing 15 students with impaired hearing. These students will be notified when the lip reading class begins. It will be held one day per week during the fifth period.

While the others were taking the hearing test, the girls were given eye tests to determine whether they could read at 20 feet, what a normal person can read at that distance. Those who cannot pass this test should have their eyes examined. Schedules for these tests were made up by the physical education department, through Mrs. Anderson.

Lions Club Meets

The Daly City-Colma Lions' club luncheon meeting was held Wednesday, October 24 at Estrada's Spanish Kitchen on El Camino Real. The story of printing was discussed by Walter J. Lehigh, guest speaker.

Wednesday, October 31 Mrs. Frances Parish, executive secretary of public relations of the San Francisco Center for the Blind will be the guest speaker.

Imitate Elders

Children learn to talk by listening to the speech of their elders.

CCPT Convenes At Jefferson High School On Thursday

Jefferson Union High school was the setting for the Thursday meeting of the Seventeenth District Congress of Parents and Teachers, with Mrs. L. G. Evans presiding.

Dr. Charles C. Gans, Director of Health and Welfare of San Mateo county, flanked by his very capable co-workers, presented a concrete picture of the inner workings of our Health and Welfare departments. Each member was presented with an organization chart with schematic designs to enable the listener to better understand the spoken explanation. After nearly eleven years in his present capacity Dr. Gans was able to hold the attention of this audience with the detailed account of many pertinent facts; of his continual struggle to sell the public on the benefits of quick action in establishing preventative measures rather than the curative, which is always more spectacular.

The value of X-Ray film in detecting lung shadows was stressed upon by Dr. Greenwell of Canyon Sanitarium. The methods of caring for tuberculosis patients at this Redwood City retreat were presented in a highly instructive manner by Dr. Greenwell.

Superintendent of Social Service Adrian Ward presented the welfare side of the picture, how neatly and efficiently the welfare work is able to dovetail the work of the health department when functioning under one head.

Supervisor of Public Health Nursing Miss Hilda Schneider urged the mothers to take every advantage offered them in the use of preventative measures, that only through their co-operation and understanding could our health problem be more carefully controlled.

In the absence of Mrs. F. D. Benz, director of health chairman, First Vice-president Mrs. Faun Tuska presented the following speakers who handled their subjects in the manner of a symposium: Ralph Steel of San Mateo J. C. presented "Social Hygiene," "Mental Hygiene," was touched upon by W. Earl Whitaker of Lincoln school, Redwood City; while San Mateo County School Health Nurse Eleanor Thronsdon spoke of "School Health and Summer Round Up." The Walt Disney film "Defense Against Invasion" completed the educational part of the program.

A report on the recently passed Strayer Bill was given by Warren K. Natwick, legislative chairman and principal of Borel and Baywood schools, San Mateo, explaining the benefits of this bill and how it will aid the state's 7,000 spastic children scattered throughout our 2,972 school districts. In the majority of cases the child's intelligence is not effected, it is merely a problem of finding the special kind of teaching.

The J. U. H. S. choral class directed by Mr. McCarthy presented a group of songs. A member of the class, Frances Crossley, sang three solo numbers.

Community singing was enjoyed, with Mrs. F. L. Knuefer leading and Mrs. G. F. Sirex acting as accompanist.

President Mrs. Evans appointed a Life Membership committee consisting of Mrs. J. M. Foley, Mrs. Stella L. Jensen, and Mrs. F. L. Knuefer.

Greetings and character thought were voiced by Stanford Hannah, district superintendent and principal of J. U. H. S., who concluded with the pointed statement, "If you know a man you will like him."

Mrs. L. G. Evans, the president, gave her report from the State Board meeting held recently in Los Angeles.

The president of the Jefferson unit, Mrs. Hollingsworth and her committee of representatives of units from the northern part of the county arranged lovely floral decorations and supervised the serving of a substantial luncheon in the school cafeteria.

Drying Seersucker

Seersuckers need no ironing, except along the seams, but they're supposed to be dried to shape, and that means hanger-drying: Put garment on ordinary coat hanger (be sure it's rustproof or else wrap in clean white cloth); anchor hanger to line with clothespin on each side of hook; then gently shape sleeves and waist and straighten hem.

William H. Bryant Passes Away

Funeral services were held Friday, October 19 at 2 p. m. from the mortuary of W. C. Lasswell and company, 6154 Mission street for William Henry Bryant, 543-a San Diego avenue.

Bryant, a retired garment maker, was a native of London, England but had resided in Daly City for the past 25 years.

He passed away at his home Wednesday, October 17 after a long illness.

Surviving him are his wife, Ethel Bryant and two brothers, Walter J. and Sidney G. Bryant.

Interment was at Olivet Memorial park.

Wetting Shoes

Use a minimum of water for shoes that take soap and water cleaning. Remember to wipe them with a damp cloth instead of dunking in a basin. Keep your drying shoes away from heat and sunlight, as both tend to harden and crack shoes.

Scout Council Met October 22nd

Monday, October 22 the Daly City-Colma Girl Scout council met at the Little Theatre at Jefferson Union High school.

The meeting was called to order at 8 p. m. by Mrs. Allene Lehigh, deputy commissioner. Mrs. Hale acted as secretary.

The Girl Scout calendars were brought to the meeting and many of the leaders took them to their troops. Each troop has an allotment of 70 calendars.

There is still a dire need for leaders and those interested should get in touch with Mrs. Haze Marsh, Randolph 6090.

The next meeting is to be held Thursday, November 29 at Little Theatre, Jefferson Union High school.

Accident Victims

Some 17,000 farm dwellers are killed in accidents yearly in this country.

Quick ELECTRIC HEAT FOR PERSONAL COMFORT

In every home there is need for the quick, extra service of electric heat. In cold corner rooms, in dens, in dressing and bathrooms, in breakfast nook or basement room, electric heat is the low cost way to solve difficult heating problems. Electric heaters built into the wall are ideal in bathrooms. Plug-in type electric heaters are very often necessities for close-up personal warmth. Electric heaters are quick in action, pouring out a flood of sunny heat at the snap of a switch. Ask to see the new electric heaters at any company office or at your favorite electrical dealer's store.

..... Handy as a full length mirror in your dressing room or bathroom is this tall and comforting built-in electric heater.

Give to your Community War Chest!

... For bathtime use nothing equals the clean, sunny glow of radiant heat from a built-in electric wall heater. It is so safe and healthful.

How to make Hallowe'en fun for all

Youngsters traditionally think of Hallowe'en as their very own for fun-making, but it's no surprise to find the adults aiding and abetting them in hilarious pranks. That is why Hallowe'en is an especially good party-night at home where family and guests may participate in games, and—in the spirit of the thing—the simplest repast is regarded as a banquet.

For the young and boisterous, the kitchen is always the favorite spot for Hallowe'en entertaining, because bobbing for apples, drinking water from glasses without touching them, and the usual customary frolic, sometimes become riotous and the kitchen can take it. Besides these games some form of ghost stories and fortune telling should be included.

Food served from the kitchen, even though games are played elsewhere in the house, is a good idea. For your more sedate guests (if there are any at this point!) you might prefer to serve a buffet supper or refreshments in the dining room.

There are no elaborate refreshments required on Hallowe'en; even though the spooky-clad guests have hearty appetites, they don't expect fancy foods. However, weird names add atmosphere and flavor to hearty foods, and many a menu can be concocted for all guests, large or small, from the following suggestions:

MAIN COURSE

RED HOT POKER ROAST: Allow two weiners per person, arranging them side by side; run a string through top and bottom. Broil; tie, curved side out, around a mound of potato salad, pressing the weiners into the salad so that it resembles a crown.

SPOOKS SPECIAL: Macaroni salad with diced or shredded American cheese, shredded carrots, pickles and celery. Garnish with ripe olives.

GOBLIN'S DELIGHT: Baked beans and brown bread.

BREAD

MUFFINS OF MYSTERY: One-half cup of chopped dates and walnuts added to regular muffin recipe.

TIDBITS

DEMON SQUARES: Gingerbread Squares.

DEVIL'S DICE: Cheese Cubes.

CAT'S EYES: Stuffed Olives.

GHOST CHARMS: Celery Curls.

SATAN'S NIBBLINGS: Spiced or salted nuts.

DESSERTS

PHANTOM FINISH: Doughnuts and Cider.

WHEEL OF FATE: Gingerbread with orange icing and balls of orange ice or orange ice cream.

BEVERAGES

WITCHES' BREW: Coffee.

SPRITES' NECTAR: Cider, hot or cold, plain or spiced.

At Safeway you choose exactly the fruits and vegetables you want—you weigh them yourself—and you pay for them by the pound. Isn't that the sensible way to buy?

SAFEWAY

Girl Scout Week Begins Nov. 3rd

Sunday, October 28 National Girl Scout week begins and continues until November 3.

Each day represents a phase of girl scouting.

Sunday, October 28 is Girl Scout Sunday on which day each girl is requested to go to her own particular church, in uniform, and give prayers of thanks.

Monday, October 29 is home-making day. Each Scout is to help at home doing some particular household task.

Tuesday, October 30 is community life day and girls are asked to do something for the community, such as keeping the sidewalks clean and picking up papers.

Wednesday, October 31 is health and safety day. Each girl is to watch for unsafe street crossings and to be careful to help others in case of necessity.

Thursday, November 1 is International Day. Girl Scouts are to be thinking of Scouts in foreign countries on this day and if possible send something to one or more of these countries to aid in rebuilding their Scout troops.

Friday, November 2 is arts and crafts. In this field are many things girls can make and give as gifts or learn something new in crafts.

Saturday, November 3 is out-of-doors day for games, out-door cooking, hikes or camping.

This year the Daly City-Colma Girl Scout group have combined International Day and Out-of-doors day by having a festival of folk dances of various nations at Marchbanks park.

The various nations to be represented are Russia, South America, Holland, China and many others. All parents and friends are cordially invited and the definite hour will be announced in next week's Record.

Bedtime Cleaning

A good time to clean white shoes is at bedtime. Overnight drying does the trick if they are needed for daily wear. An aid to keeping them in shape is to stuff them with tissue paper or place them on trees during cleaning and drying.

Court of Honor Held By S. F. Area Boy Scout Troops

On Wednesday, October 17, the Suburban District of the San Francisco Area Boy Scouts of America held their district court of honor. Seventy-five were present besides 50 parents and friends.

Troop 148, sponsored by the Holy Angels church of Colma, was the host troop.

Assistant Scoutmaster Joseph Cunningham deserves a great deal of praise for the presentation of the skit by the host troop which was greatly enjoyed by all present.

Jack Cochrane was chairman of the court and his son Jack was clerk.

Assistant Fire Chief Arthur Bodien gave an instructive talk on fire prevention. He has been connected for 20 years with Boy Scout work and gave short worthwhile suggestions on the prevention of fire.

Scout Executive Ray Hatch and Tom McFadden from Scout headquarters were present as also were Father McElligot chaplain of Troop 148, Scoutmaster Milton Smith of Troop 143, Scoutmaster Charles Forben of Troop 125, Assistant Scoutmaster Joseph Cunningham of Troop 148, Scoutmaster Jack Graborsky of Troop 134, Scoutmaster L. R. Heagney of Troop 145, also Mrs. E. Heagney representing the Girl Scouts, Chairman J. O'Leary of Troop 148, officers of the court Jack Corcoran sr., Chairman Walter Delborn, J. A. Luce and District Commissioner J. A. Powers sr.

BOY LOSES PET AND PAL

You, who love dogs and who love children, read this story by the mother of a broken hearted child and see what you can do, for even this is not the only case of pets being poisoned. Is it not possible to do some private sleuthing and put an end to this kind of cruelty?

The following story, written by Mrs. Elizabeth Anderson, 56 Market street, mother of John Anderson, the dog's master, speaks for itself:

How to Break a Boy's Heart

A dog is a boy's best friend. A constant companion. A dog will never desert his little master.

I am telling a story about an eight year old boy and his dog. The dog, a beautiful Springer spaniel, was given to this little fellow when he was two years old.

Brownie was always around when this boy played. And next to his bed when he was asleep. In other words, he was a self appointed guardian angel.

One day the boy was involved in an accident, and had to spend six days in the hospital. The dog was lost. He would not eat, and roamed through the house always ending up in his master's bedroom. In other words, he wanted to be near the boy's personal belongings. It made him feel closer to his little master who was so rudely taken from his side.

When the boy finally came home from the hospital, it was a red letter day for Brownie. We could not get him from his pal's bed.

This close companionship went on for six years. Then last Saturday morning this little boy's heart was torn right in two. The one whom he loved more than anything in the world, stumbled and dragged himself over to his little master's feet and dropped dead. Poisoned!

Miss Consonants

Consonants, which have high pitch, tend to drop out of the words heard by most deafened persons.

Notice of Trustee's Sale

On Friday, the 2nd day of November, 1945, at 10:00 o'clock a. m. of said day, at Peninsula Title Guaranty Company, 2426 Broadway, in the City of Redwood City, County of San Mateo, State of California, CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, will sell at auction to the highest bidder, for cash in lawful money of the United States, the following described property in City of Daly City, County of San Mateo, State of California, to wit: Lot No. 33 in Block No. 2, as shown on that certain map entitled "Homestead Realty Co.'s Subdivision of Lots 140 to 153 inclusive, West End Homestead Association, Daly City, San Mateo County," filed in the office of the County Recorder of San Mateo County, July 31, 1912 in Book 8 of Maps at page 17.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Jerry A. Flood and Betty L. Flood, his wife, to City Title Insurance Company, a California corporation, as trustee for the benefit and security of Jose M. Malo and Matilda Malo, his wife, in joint tenancy, dated September 18th, 1944 and recorded in the office of the Recorder of the County of San Mateo, State of California, on September 23rd, 1944 in Volume 1140 of Official Records at page 232.

Notice of breach of said obligation and election to sell said real property was recorded in the office of the aforesaid Recorder on the 22nd day of June, 1945, in Volume 1191 of Official Records at page 203 thereof. This notice is given in compliance with the demand heretofore made on CITY TITLE INSURANCE COMPANY, a California corporation, as trustee, by Jose M. Malo and Matilda Malo, his wife, in joint tenancy, as beneficiaries under the aforesaid deed of trust.

Dated: October 3rd, 1945.
CITY TITLE INSURANCE COMPANY, a California corporation, Trustee.

Walte rGull who rendered a saxophone solo; Dolores Lagomarsino, accordion solo; dances by Arlene Pool and Joan Lawson.

The latter was accompanied by Betty Mills. Music was furnished by Mr. McCarthy and the guest speaker was Mrs. G. Beanston, past president of the second district and state field service director, who spoke on the San Francisco Conference.

Refreshments were served in the school cafeteria following the ing.

UNITED AIR LINES OFFERS JOBS TO WAR VETERANS

If you have just received your honorable discharge or are about to receive it, and are wondering what you are going to do in civilian life, you should consider the many opportunities United Air Lines offer men who are leaving the Armed Forces.

The fact is—your training and experience will help you "go places" in this rapidly growing industry. And there certainly is a future with United... expansion plans for the next five years call for operations three times as great as now.

Among the positions open today are station agents, ticket agents, clerical workers, stock clerks, supply men, cargo workers and many others.

To promote the welfare of its employees, United maintains an unusual program consisting of many benefits, services, and privileges.

Apply at United Air Lines—San Francisco, 421 Powell Street, or San Francisco Airport, Bayshore Blvd. at San Bruno Ave. Write if it is not convenient to call in person.

Woodrow Wilson School Pupils Receive Free X-Ray

At the Woodrow Wilson school 465 pupils in the 5th, 6th, 7th, 8th grades took advantage of the free Mobile X-ray laboratory which was here October 15, 16, 17 and 18.

With consent of the parents, these X-ray pictures which are taken indicate whether or not the child has any trace of tuberculosis, though there are about 10 per cent of the parents who would not consent to this examination.

If the X-ray picture, which is free, shows any indication of the presence of tuberculosis, the proper advice for treatment is given the family. If they do not hear from the laboratory within three weeks, there was no indication of tuberculosis being present.

As the children of middle grades seem to be most susceptible to tuberculosis, these grades will be checked first, and it is estimated it will take a year to cover the county.

Sunday School Class Enjoys Dinner Party

The Hi-Y Sunday School class of the Grace Nazarene church gave a progressive dinner party Thursday night, October 18, the different courses being served at the various homes of the class members. June Lemon, Bob Mills, Shirley Mills, Jo Wheeler and Mrs. Eelen Edminster.

Those attending the party were Miss Hazel King, Miss Hazel Hunter, Miss Shirley Miller, Vernon Wheeler, Ernest Clayton, Miss Verna McKisson, Robert Thompson, Miss Ellen Reardon, Miss June Lemon, Don Walker, Joe Wheeler and Robert Mills.

This very delightful evening of entertainment for the younger set, aged from 15 to 19, was under the direction of Mrs. Helen Edminster.

Woodrow Wilson P. T. A. Members Attend Dist. Meet

Fourteen members of the Woodrow Wilson PTA attended the 17th District meeting held at Jefferson Union High school on Thursday, October 18.

Those attending included Mrs. Irene Williams, vice president; Mildred Ventura, recording secretary; Hilda Heagney, treasurer; Florence Hopman, corresponding secretary; Ethel Saame, auditor; Inez Jones, defense chairman; Mildred Kalinen, life membership chairman; Catherine Duffy, historian; Ida Hanley, parliamentarian; Lillian Thomey, student aid chairman; Elsie Hesselein, publicity chairman; Martha Linden, door hostess; Gloria Erickson and Mildred Morgan, hospitality chairmen.

All reported a very interesting and enjoyable meeting.

Corinne Parmisano Becomes Bride of William Konevich

Our Lady of Perpetual Help church was the scene of the wedding of Corinne Parmisano, daughter of Mr. and Mrs. Anthony Parmisano of 101 Evergreen avenue, to William Konevich.

The ceremony, performed by Father Adrian McKenna and Father Bergin, took place Saturday, October 20 at 6:30 p. m.

The bride, wearing an ice blue satin gown with a long train and a tulle finger tip veil the coronet head piece of which was of lace, was given away by her father, Anthony Parmisano. She carried a white prayer book topped with white orchids and streamers of pink bouvardia.

The maid of honor, Geraldine Parmisano, cousin of the bride and her three bridesmaids, Marian Kelly, Frances Marchioni and Mary Donnelly were gowned in American beauty shade jersey formals and carried old fashioned bouquets of white begonias.

Best man duties were performed by Michael Jaish of Angels Camp, home town of the groom.

Approximately 200 guests attended the reception, which followed the ceremony, at the Sir Francis Drake hotel.

The groom, son of Mr. and Mrs. William Nayden of Angels Camp completed a course and graduated from the Merchant Marine officers training school in Alameda a week before his marriage.

The couple enjoyed a week's honeymoon at Carmel.

Jeff Hi P. T. A. Announce Whist

Mrs. Ruth Morris will be chairman of the telephone whist to be given by Jefferson Union High School PTA Friday, November 2 at 8 p. m.

The whist will be held at the homes of the following: Mrs. Martha Wegner, 399 Crocker avenue; Mrs. Ida Hanley, 43 Woodrow street and Mrs. Stanford Hannah, 28 West Cavour street.

The public is cordially invited to attend.

Mrs. Olga Bordson Hostess to Crocker P.T.A. Sewing Group

Mrs. Olga Bordson was hostess to the regular sewing group of the Crocker PTA at her home, 614 Templeton avenue, this week. The occasion was also a surprise show for the vice-president, Mrs. Alice Tylanda. She was presented with a basinet which was beautifully padded with blue silk and the basketry laced with pink and blue ribbon.

The ladies present were Mesdames Ann Sason, Julia Jordon, Emma Anderson, Ida Hanley, Ruth Morris, Jean Nordgren, Florence McKay, Pansy Montano, Ann Ingersoll, Eva Hobbs, Beatrice Cerratin, Vivian Pahlka, C. Pollard, Ellen Wallace, Mildred McGeein, Frances Haussler, and Dorothy Wallwick.

The annual bazaar given by Crocker PTA will be held Friday, December 7 in Masonic hall, 17 Hillcrest drive.

Booths featuring home made pastries, hand work, novelty items and ten cent grab bags will be the main attraction.

Mrs. Ruth Morris is chairman of the hand work booth, Mrs. Marie Gehrig will have charge of the food booth, novelty items will be in charge of Mrs. Mildred Seiler and Mrs. Florence McKay will be chairman of the rummage sale booth.

Anyone wishing to make donations for the rummage sale booth may contact Mrs. McKay at 166 Peoria street or phone Delaware 7065.

Luncheon will be served at noon to the public and everyone is cordially invited.

The next sewing meeting will be held at the home of Mrs. Ann Eason, 924 Hanover street Tuesday, October 30. Mrs. Frances Haussler wishes to remind the ladies to bring a "white elephant" as their admission charge.

Edward Scanlon Passes To Beyond

Edward M. Scanlon, 754 Niantic avenue passed away at his home Wednesday, October 24 at 7:45 a. m.

He was the husband of Mrs. Mary Scanlon, father of Edward and Margaret Scanlon and Mrs. Mary Giles and stepfather of Charles Hicklin.

Mr. Scanlon was a native of California and had resided in Daly City for the past ten years. He was a member of the B. of R. T., Local 947, and O. R. C. Division No. 115.

Funeral services will be conducted Saturday, October 27 at 10 a. m. from the mortuary of W. C. Lasswell and company, 6154 Mission street.

Arnold Panella Buys Home In Edgewood Terrace

Lieutenant Arnold Panella, son of Mrs. Anna J. Panella, 477 Frederick street, San Francisco, who has recently received his discharge from the army after a term of very distinguished service in the Air Corps, has purchased a home in Edgewood Terrace on the uppermost point of Vista avenue.

He served in the Pacific theatre of war in the Army Air Corps and was awarded, by direction of the President, decorations for distinguished service in the southwest Pacific area.

Lieutenant Panella plans to resume business in Daly City in the very near future.

Panella is a member of Colma Vista Grande Aerie No. 1848, F.O.E., and of the local Lions club. He entered the Army in January, 1943, and was commissioned at Williams Field, Arizona.

E. Vollbrecht Is On Way Home From Army Duty

Ernest Vollbrecht, son of William M. Vollbrecht of 372 San Diego avenue and brother to J. Deitrich Vollbrecht, instructor in the Jefferson Union High school, is expected home soon.

He enlisted for service in 1942, saw service in Australia for a year and a half, was wounded and returned to the states for treatment.

He received his training in Aberdeen, Maryland and went overseas in September, 1943. He was with the Ordnance Department in the Pacific theatre.

He has received a medical discharge from Camp Carson hospital center, one of the nine such units in the United States.

He was art instructor in the Roosevelt Junior High school in Hamilton, Ohio, but his plans for the future are at present indefinite.

Seven Girl Scouts Join New Troop

On October 17, seven of the Girl Scouts flew from Troop 7 to a new troop, No. 17. They were Loraine Bergstrom, Jean Eliesen, Carol Clark, Delores Mason, Valerie Levi, Gertrude Runge, Arleen Pool.

Mrs. Pool is the new leader, and Mrs. Calvin of Troop 1 and her girls invested the new troop. Mrs. Colvin also invested the new leader for Troop 5, Loraine Remmer.

Mrs. Smith was invested as the new leader of Troop 1.

Mrs. Ronder was invested new Brownie leader of Troop 7. The members are Geraldine Kionio, Margaret Michelson, June Verdoia, Carolyn Colby, Sandra Phillip, Barbara Phillip, Joyce Fellman and Jacklin Mullen.

Coffee and cake were served following the ceremonies at the Brownie House on Peoria street.

Girl Scouts Plan For Big Event At Marchbanks Park

At their last regular meeting on Monday afternoon, October 22 at 3:30 the Girl Scouts of Troop 3 spent most of their time practicing for International Day celebration to be held on Saturday, November 3 at Marchbanks park.

The troop will represent German peasant girls on that day.

After the meeting the Scouts gave a shower for their retiring leader, Mrs. Elsie Hesselin, and presented her with many lovely gifts.

Harvey Meliker And Anita Ryan Are Married

Grace Presbyterian church was the scene of the wedding of Anita Frances Ryan, the very attractive daughter of Mrs. Isobel Ryan of 800 Templeton avenue to Harvey James Meliker, 1/c Petty Officer of the Navy, both of Daly City. Dr. William Harberts, pastor of the church officiated, using the double ring ceremony.

The maid of honor was Dorothy Freund, Shirley Meliker, sister of the groom, was flower girl. A. F. Linderman, Oakland, uncle of the bride, gave her away.

Helen Kohman and Vivienne Melior were candle attendants and Mrs. Beatrice Melior sang "Because."

Mrs. Mildred Hanson played the Lohengrin wedding march and before the service she played a melody of Anita's favorite hymns.

Richard Ryan and George Martin acted as ushers and the church was filled to capacity by relatives and friends.

The bride wore white satin, sweetheart neckline and long sleeves, with a long train and finger tip veil draped coronet style and studded with pearls. She carried a shower bouquet of bouvardia centered with white orchids.

The maid of honor wore shell pink brocade and carried an old fashioned bouquet of pink and white carnations.

The flower girl in a pink formal carried a miniature old fashioned bouquet of pink and white sweet-peas.

The church was beautifully decorated with baskets of white gladioli and chrysanthemums and candelabra with tall white tapers.

Following the wedding ceremony a reception was held at the home of the bride's mother.

The couple left for a short honeymoon trip to their lodge on the Russian river.

Mr. and Mrs. Meliker were school friends and both graduated from Jefferson High school. The bride later attended the University of California at Berkeley. The groom is in active service in the Navy and is stationed at Treasure Island in Radio Material school.

Goes To Vancouver

Mrs. Eula Jakobsen of 332 Miriam street, has been called to Vancouver, Washington where she will visit at the home of her mother. She expects to be gone two weeks.

N. S. G. W. Initiate New Members Into The Order

Native sons became members of their local Parlor in a joint meeting of the five Native Sons of the Golden West organizations in San Mateo county Monday, October 22.

Initiating officers included representatives from Daly City, Burlingame-San Mateo, Redwood City, Half Moon Bay and Pescadero parlors.

Dignitaries of the order who were present included the following: H. Irving Lee, supervising district deputy grand president from San Jose; Philip Bozzo, district deputy grand president from Redwood City; Past Grand President Herb Williamson; Emmet B. Hayes, district deputy grand president at large of Burlingame and Grand Trustee Ed. Wren.

Prominent local members of El Carmelo Parlor No. 256 who attended were: President Herman Christen, Treasurer Albert Parmisano, Secretary Ernest Micco, Marshal Frank Donofrio, Inside Sentinel Alfred Koskela, Junior Past President and District Deputy Grand President at Large Jim Mullen.

Members from the local order were Charles Gilbert, Tony Ricci, Otto Christen, Sam Parmisano, Joseph Schenone and Ray Christensen.

First Lt. Ralph E. Clark was scheduled to arrive at New York October 13 on the William Pender.

He is the son of Mr. and Mrs. W. P. Clark, 251 Wellington avenue, and has seen service in Italy in the U. S. Army Air Corps.

in connection with the cleaning and also do tailoring and repair work.

Copies of 1945 Vehicle Code Now Available to Public

Officials of the Department of Motor Vehicles announced that sufficient copies of the 1945 Vehicle Code are now available to meet the needs of all persons interested in securing them and that shipments have been made from Sacramento to all branch offices

of the department.

Copies may be obtained free of charge from the nearest branch office of the department or the California Highway Patrol. Department officials asked that interested parties refrain from writing to Sacramento for them because of insufficient clerical help to make prompt mail distribution. The new code contains all amendments made by the 1945 legislature.

Dealer Sees New Chevrolet At Recent Display

M. John Soldavini recently returned from a preview of the new 1946 Chevrolet at the company's zone headquarters.

He was reluctant to discuss the mechanical and style features of the new car, but by his eager attitude it was apparent that he expected the formal announcement and public showing of the car to be at an early date.

Soldavini said he and other dealers in the area were confident that the 1946 Chevrolet will maintain the record of top volume sales, which Chevrolet reached in 10 of the last 11 prewar years of automobile production, to meet the unprecedented pent-up demand for new cars.

Following the same policy as in former years, the new Chevrolet will be displayed simultaneously in dealers' showrooms throughout the country, Soldavini said.

Radio and local newspaper announcements will be made, telling when prospective customers may see the new car for the first time. These announcements are expected to be good news to motorists and to dealers alike.

Throughout the war period, car owners have been forced to get along with their old automobiles. At the same time dealers have expended every effort to service these cars, and to keep them rolling for the duration.

Soldavini stressed car care, with the warning that motorists should not expect the 1946 Chevrolet to be available in great quantities immediately. The supply to dealers will increase as production in the Chevrolet plants permits.

Mr. and Mrs. Bob Wall Now Living in Melones

During the past year Mr. and Mrs. Bob Wall, formerly of Daly City, have been making their home at Melones, a small town between Sonora and Angles Camp.

They have recently entertained many of their friends and relatives from Daly City and the Bay Area. Among their guests were Mr. and Mrs. George Logomarsino and son Gene, Mrs. Flora Foppiano and granddaughter Marilyn Tacchi of South San Francisco, Mr. and Mrs. John Sullivan and family, and the Orsi and Grolimond families.

The Wall children Audrey and Bobby, are enjoying the hunting and fishing on the Stanislaus river which is near their home.

Mrs. Wall takes an active part in school activities having been appointed trustee and clerk of the school board at Robinson Ferry School district.

Junior Boys Class Enjoys Entertainment Saturday, Oct. 20th

Climaxing a pleasant morning spent at Funland at the beach, the junior boys class from the Nazarene Sunday school, Santa Barbara and Vista Grande avenues, under the leadership of their teacher, Leo Lemon, had a wiener roast and watermelon feed on Saturday, October 20. The boys who enjoyed the outing were: Ralph North, Paul Hopkins, Jack and Charles Thur, Larry Schmitt, James and William Johnston.

In recent weeks the boys have had a friendly rivalry in their class learning the Ten Commandments. Sunday, October 21, Jack Thur and Donald North received prizes of New Testaments for learning the Ten Commandments so thoroughly that they could be questioned on any of the commandments and answer them correctly. Judge for the contest was Sunday School Superintendent Mrs. Grace Wheeler.

Ladies Auxiliary Plan Whist Party

A whist game is to be given by the Ladies Auxiliary, Company No. 2 DCFD at 8:30 Tuesday evening, November 6 at Firehouse No. 2 Santa Barbara and Parkview avenue.

A box of groceries to be given away during the evening is being displayed in the window of the A. M. Harrison Plumbing company, 6236 Mission street.

Mrs. Madeline Ferro, chairman, assisted by all the ladies of the auxiliary, is working on final plans to make this game a success.

Blood Spots in Eggs

Blood spots in eggs do not indicate a diseased condition of the chicken laying the egg.

Origin of Navy Day Observance Dates Back To Oct. 1922

The observance of Navy Day was inaugurated October 27, 1922, under the auspices of the Navy League of the United States, in order that the American people might become more familiar with the United States Navy, and gain a greater appreciation of its importance and influence in our national life.

October 27 was chosen as the date for the observance because it marks the anniversary of the date in 1775 when the Continental Congress received the bill providing for the original United States fleet. Although the fleet was authorized at that time it was not until 1798 that the Navy Department was made an independent and recognized unit of our Federal Government. October 27 also marks the birthday of Theodore Roosevelt, who recognized the need for a strong Navy and is widely credited with being the father of our modern Navy.

This year the United States Navy will be 170 years old. Its origin is mingled with the very roots of American life and thought. From the era of the wooden sailing ships to the present day its tradition of seamanship and courage has been one of the proudest chapters in American history.

USS Yorktown Open To Public On Navy Day

Bay Area residents have the privilege of going aboard one of the Navy's largest and most famous aircraft carriers at the U. S. Naval Air Station at Alameda on Navy Day, October 27, it was revealed today when plans for another "Open house" program were announced by Commodore Stanley J. Michael, USN, commanding officer of the air activity.

The famed carrier, USS Yorktown, known to millions as the "Fighting Lady" because of the part she played in the motion picture with that title, will tie up at the station pier and be open for inspection on the day the public is invited to get a view of the might of the Navy.

Navy Day will also be "homecoming day" for the "Fighting Lady's" commanding officer, Captain Walter F. Boone, USN, of Palo Alto. Captain Boone is a former commanding officer of the air station and went to sea in command of the Yorktown after being detached from the air station last February.

The presence of the Yorktown will be the big feature of the Navy Day program, but a full array of exhibits pertaining to naval aviation will be on display on the pier where the carrier will be moored.

Included on the list of exhibits will be many erstwhile military secrets, some of which will be viewed in operation. The program will surpass that presented during the first "open house" last August 26 when more than 60,000 visitors toured the station as it took part in a celebration commemorating the 32nd anniversary of naval aviation.

The station will be open from 9 a. m. to 4 p. m., and the visitors' entrance will be the East Gate off Atlantic avenue. Guests will be permitted to drive their automobiles on the station into a parking area with a capacity of more than 10,000 cars. There will be no long walk around the station as all exhibits will be set up on the pier.

Visitors may enter the main area of the station on foot, but will not be permitted to enter certain restricted areas where they might be endangered by operations which will be in progress.

Pasadena Men To Speak Here

The NYPS of the Grace Nazarene church are sponsoring a meeting at which two young men from Pasadena will be the speakers, Kenneth Smith and Stephen Smith. The meetings will be held at the church Friday evening and Saturday evening at 7:30, and also Sunday morning at 11.

**Assessed Value
Of Property Up
20 Pct. In County**

Assessed value of property subject to local taxes in San Mateo county increased 20 per cent during the war years, California Taxpayers' association said today, making public its study of trends in assessed valuations in California counties.

For the current fiscal year, assessed valuation of property in the county totals \$143,870,838. For 1940-41, assessed valuation amounted to \$119,834,211. Of the total current valuations, \$129,444,458 is assessed by county officials and \$14,426,380 by the state board of equalization. Property exempt from taxation is valued at \$8,355,475.

Walter Wilmoth To Report for Overseas Duty

Walter B. Wilmoth, son of Mrs. Gertrude Wilmoth, Augusta street, Colma will report October 25 to Camp Gordon, Johnston, Florida for more overseas duty.

Wilmoth joined the Merchant Marine in June 1943 then was sent to the Catalina Island Seamen's school. He then went to Florida Marine Cadet Officer school and upon graduation went to New Orleans where he attended the Marine Upgrade school and was commissioned in the U. S. Army as a second lieutenant January 1944. He shipped overseas August 3, 1944. He has seen service in port maritime maintenance and ship repair in England and France and returned home on a 45 day leave of absence.

Corporal Selby Returns Home

High up on the honor roll of returned servicemen is Corporal Reginald P. Selby T/4, who returned to Daly City September 14 and is now employed by the Vermont Marble company.

Corporal Selby of the 143rd Battery, 40th Division, is home after 4 years of service, 3 years of which were spent overseas. His division was at Guadacanal, New Britain, Luzon, and other points, and he had 90 points at the time of his discharge.

He is the son of a local grocer, P. W. Selby, who operates Phil's Grocery at 108 Los Olivos.

Announce Whist

The annual fall whist party of St. Finn Barr's church will be held Saturday, October 27, 8:30 p. m. at the church, Hearst avenue and Edna street.

Mrs. Joseph P. Mouille will be chairman for the evening.

Donald S. New Receives Discharge

Donald S. New, motor-machinist mate second class, son of Mrs. Angie New, 698 Evergreen avenue, has been recently discharged at the separation center, Terminal Island, San Pedro, California.

Young Men Urged to Take Flight Training

Office of Naval Officer Procurement, including the Naval Aviation Cadet Selection Board section, has moved from its former offices in the Central Tower building to the Humboldt Bank building, 785 Market street, it was announced recently by Lieut. Comdr. Harry Mayer, director of the office of naval officer procurement.

In conjunction with the change in address, a new naval flight training quota was also announced. This new program is open to civilian young men between the ages of 17 years through 19 years of age who are high school graduates or who will be graduated on or before February 25 of next year.

Applicants who qualify for this officer training program will be called to training duty March 1, 1946 and will spend a full year in a college or university with a Navy V-12 unit and then transfer into naval flight training, which will encompass approximately 14 months of additional training.

Interested young men are urged to either write or call in person at the Office of Naval Officer Procurement in its new location for complete details regarding the new flight program which leads to a commission as Ensign in the U. S. Naval Reserve with the opportunity to fly in the postwar Navy as a career.

Cub Pack Meeting Held Thursday Of This Week

On account of another meeting at the church of the Nazarene scheduled for Friday night the regular Cub Pack meeting was held this week on Thursday night.

A warehouse has been secured for the Boy Scout trading post, thus allowing much of the stock of salvage goods to be cleared out of the store into the warehouse. Articles are being rearranged in the store to make room and the Trading Post promises to be a real help in raising money for the camp building fund.
